

# **Boney Fingers**

*is a band that draws on three decades of Rock & Roll to make the music that moves you!*

*They are driven by Smooth Grooves, Tasty Vocals, Raw Energy, and a Powerful Rhythm Section.*

*With three original albums and an open minded chemistry, they have been able to keep the music flowing for the last 18 years.*

*Boney Fingers is made up of 6 members and a free flowing songlist of time proven classics, as well as their own High Energy Originals which will keep the party rolling all night long!*
